Re: Follow Up Questions #1, RFP # 157-2007

The Evaluation Committee has the following questions regarding your RFP proposal and has adjusted the timeline for vendor presentations.

1. Do any of your higher ed customers use the *Maxx* Card program to deposit financial aid or payroll? If so who?
2. Is the *Maxx* Card program branded with the Visa logo or MasterCard logo? Can it be branded MasterCard?
3. What is the standard implementation timeline for the PayCard Program?

Time Line Adjustment

UND is adjusting the timing of the vendor presentations. Presentations will take place the week of September 10<sup>th</sup>, if you are invited to present.

**Responses to these questions are due August 15, 2007.** Remit your response to [scottschreiner@mail.und.nodak.edu](mailto:scottschreiner@mail.und.nodak.edu).
